Welcome Aboard

Step aboard **WAVERLEY** – the last seagoing Paddle Steamer in the world

WAVERLEY is the last seagoing paddle steamer in the world! Owned by a Charity and magnificently restored with towering funnels, timber decks, gleaming varnish and brass – see and hear the mighty engines turn the ship's famous paddles!

Dine, relax with a drink in one of our restored period lounges, or simply watch the world slip by as you enjoy breathtaking views. You can send a postcard or shop for a souvenir whilst onboard.

Waverley maintains the long tradition of Pleasure Steamer trips since Victorian Days, giving you the chance to recapture happy memories or explore new places. 2015 is a special year for Paddle Steamer Waverley - it marks the 40th year that the ship has sailed in preservation. Incredibly, Waverley has had a longer career in preservation than she had as a commercial enterprise and when you sail on her you play your part in ensuring she continues to sail.

This year you can visit the Victorian town of Llandudno or view the magnificent North Wales Coastline. Explore the coasts and rivers of the Bristol Channel - visit Ilfracombe or Lundy Island.

Take a cruise along the Jurassic Coast - see the famous Needles & Lulworth Cove or visit one of the charming seaside towns on the South Coast.

Explore the River Thames and watch as London's Tower Bridge opens especially for you!

Bring along your friends and family, both young and old, for a day trip to remember. There is something to suit every taste and pocket.

Look inside and choose your Great Day Out!
