Welcome Aboard

Celebrating 70 years since Waverley's Launch

This summer take a magical journey and discover the Lochs and Isles on board Waverley - **the last seagoing Paddle Steamer in the World!** Owned by a Charity and magnificently restored with towering funnels, timber decks, gleaming varnish and brass. See and hear the mighty engines turn the ship's famous paddles!

2016 is a special year for Paddle Steamer Waverley - it marks 70 years since her launch in 1946. Every time you sail on her you play your part in ensuring she continues to sail for another year.

Join us this summer, steam "Doon the Watter" and bring back magical memories or create new ones. Enjoy a trip to Rothesay or explore the islands of Arran, Bute & Cumbrae.

Step aboard and you can relax in the sun on deck and take in mountain panoramas as you cruise amidst dramatic loch scenery.

Dine with a drink in one of our restored period lounges, or simply watch the world slip by as you enjoy breathtaking views. You can send a postcard or shop for a souvenir whilst onboard.

There's fun and adventure for kids on Clyde River History trips or you can join the treasure hunt on Pirates and Princess Days. Look out for special offers and events during the summer.

Enjoy a great day out with friends and family – young and old – for a trip to remember aboard Waverley!
