What to see & do on the **THAMES**

CLACTON-ON-SEA Here you will find a traditional seaside resort with seven miles of sandy beaches. It offers visitors plenty of traditional seaside attractions including a vibrant Victorian pier at which the ship calls, beautifully maintained seafront gardens and a good selection of shops.

FLOODLIT TOWER BRIDGE Enjoy a peaceful evening cruise up the 'Twinkling Thames' – sail past shimmering Canary Wharf and see floodlit Tower Bridge open for you to sail through. Enjoy a meal in the restaurant or relax with a drink in the warmth of the period lounges as you watch the world slip by.

RIVER THAMES & SAIL THROUGH TOWER BRIDGE There is no finer cruise on the Thames than this! Pass through the Thames Flood Barrier, see the Dome, the historic waterfront at Greenwich, and the dramatic buildings at Canary Wharf culminating in the spectacle of the bridge, opening especially for you. This is a trip you will always remember. Enjoy the informative and fascinating commentary that tells stories of the heritage of London's river.

TOWER BRIDGE & THAMES HIGHLIGHTS One Way trips - ideal for children - packed with interest & excitement. See Tower Bridge open & sail down the Thames past Greenwich Waterfront, Canary Wharf and the Dome before disembarking at Gravesend. There are good transport links back to your departure point.

TWINKLING THAMES Cruise along the 'Twinkling Thames' – sail past shimmering Canary Wharf and see floodlit Tower Bridge open for you. Lounge bars and restaurant are open all evening - make it a party – there are discounts for groups.

SOUTHEND is a traditional seaside resort and home to the UK's longest Pier! It boasts a vast array of traditional seaside fun in the form of Adventure Island amusement park, the famous Kursaal, the Pier Museum, the Sealife centre and a large range of shops. It's a great day out for kids or those wishing to revisit their childhood haunt.

Historic THAMES FORTS were built in the estuary during the second World War to protect London and coastal areas from air attack. On the cruise you will be able to see two excellent examples remaining, Red Sands and Shivering Sands. The cruise offers an excellent commentary on their construction, life, and later use as pirate radio stations.

WHITSTABLE famous for oysters, is a thriving and cosmopolitan seaside town. It offers a range of interesting galleries and shops as well as numerous cafés and restaurants. No trip to Whitstable would be complete without a visit to its atmospheric old harbour with its charming seafood stalls where you can stock up on all sorts of delicacies to take home

CRUISE RIVER BLACKWATER This cruise covers an area with small historic towns, churches and many points of historic interest amidst a largely unspoilt landscape. It is a cruise that takes you up one of the little known and very quiet rivers of Essex and is a perfect way of enjoying a relaxing afternoon.

CRUISE RIVER MEDWAY The Medway is a river alive with history. At the mouth of the River is the busy port at Sheerness.
